

Exelon – Summer Critical

Owner – Exelon/ComEd

Location – Chicago (North District), IL

Contract Value - \$7,500,000

Completion Date – June, 2008

- Installed 5 miles of electrical cable (1000kv, 750kv, 500kv) throughout existing Exelon underground infrastructure.
- Spliced and tested all electrical cable connections.
- Coordinated with both transmission and substation crews involving heavy logistical and schedule coordination.
- Project was completed in 4 months with over 20 electricians and zero safety incidents.
