

Traffic Signal Modernization

Owner – City of Chicago

Location – Chicago, IL

Contract Value - \$1,900,000

Completion Date – March 2009

- Upgraded three total traffic signal systems in the three busiest traffic signal intersections in the City of Chicago: 89th Street and Stony Island; 91st Street and Stony Island; Milwaukee Avenue - Nagle Avenue - Devon Avenue.
- Installed new traffic signal poles, controllers, countdown pedestrian signal heads, vehicle detection cameras, sidewalk, asphalt, pavement marking and landscaping.
- Completed project during off-peak time and nighttime hours in order to reduce the overall impact on the traveling public.
