

Buffalo Grove Lighting Project Forced Relocate

Owner – AT&T

Location – Buffalo Grove, IL

Contract Value - \$175,000.00

Completion Date – May, 2009

- John Burns Construction Co. successfully completed a forced relocate project for AT&T on Dundee Road in Buffalo Grove.
- Relocation of a 6 Duct AT&T Duct Package to accommodate new IDOT street lighting.
- Over 2,000 linear feet of duct bank was relocated around new pole bases in a two week time frame.
- The project was completed on time and under budget in a very highly congested community.
- Our customer service exceeded our customer's expectations on this project.
